

## IMMEDIATE RELEASE

The Kincardine Community Medical Clinic wishes to announce the closure of the medical practices of **Dr. Rejean Duwyn** and **Dr. Steven Poirier** effective **July 17, 2015**. Dr. Duwyn and Dr. Poirier have been appreciated by their colleagues for providing medical services to our community.

Until replacement physicians are recruited, the Kincardine Community Medical Clinic will do our best to continue to provide care for all of their patients.

The Kincardine Community Medical Clinic and the Kincardine Family Health Team are engaged in discussions with the Physician Recruiter, the Ministry of Health & Long-Term Care and the Municipality of Kincardine, in an effort to ensure patients ongoing medical needs are met.

A coordinated plan is currently under development and affected patients and the general public will be able to access the latest developments via the information line. Please feel free to call: **519.396.4300** at any time to access the latest updates in this regard.

We realize these practice closures will result in inconvenience and stress and we seek your understanding as we transition through this process. To ensure consistent and timely flow of information, patients and the general public are urged to contact the information line, established for this purpose, rather than contacting individual physician offices.
